Springwest Academy Partnership Agreement for Parents and Carers

Please take the time to read this agreement.
You will be asked to sign this alongside your child,
upon their admission to Springwest.

Springwest Academy is a dynamic, aspirational and forward looking place to work and to learn. Enormous energy is created in constantly improving our teaching and learning in order to maximise opportunity. We are determined to ensure that each and every student achieves and flourishes during their time with us. We consider our curriculum offer carefully and reflect on what is right for our students against the backdrop of a changing national context.

At the core of what we do to make a difference is our **At Springwest we....** approach. Our students know that **At Springwest we** learn by following a simple but vital set of rules, both in and outside the classroom.
